To: Chester Nolen, City Manager
Ted Reynolds, Mayor
City of Cleburne
PO Box 677
Cleburne, TX 76033

Gentlemen:

Attached is a summary of Non Compliance with City of Cleburne and ADA Specifications for the West Buffalo Creek Walkway. There are many areas that fail to meet city specifications (as determined from Open Records responses) and ADA requirements.

As you know, all new construction for recreation must meet ADA requirements, whether or not federal funds are received. The West Buffalo Creek Walkway does not meet ADA requirements.

Sincerely,

Alden Nellis

cc: Kyle Boles, Mayor ProTem
Sonny Russell, Councilman
Robert Force, Councilman
John Warren, Councilman
Department of Interior, with cover letter
Texas Department of Transportation, with cover letter
